About us

One of the originals of the burgeoning Park Slope 5th Avenue scene, Press 195 opened its doors to much fanfare in June of 2002. With the combination of fresh, original pressed sandwiches, creative salads, great appetizers and a distinctive backyard and dining area that make you feel at home, it's no wonder everybody is raving about us!! Since the first days, Press 195 has received numerous accolades, including being featured by The Food Network, who named us "the Sandwich Kings of Brooklyn", voted #1 sandwich citywide by the readers of Citysearch.com (2005), featured in local papers NY Post, Daily News and NY Times and national coverage in The New York Times Sunday magazine, Lucky magazine, Fortune magazine and Travel and Leisure. With two stores in operation, there's no excuse. It's time to come experience what people say is an addiction!
